Another proof. Some more evidence. Barre testimony to swell the long list of advocates who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of the claims made for that remurkable preparation:

Josepa Barnier, stone cutter, Graniteville, saya: "I do not want the residents of Barre or anywhere this paper circulates to think that Doan's Kidney Pills, sold at E. A. Drown's drug store; absolutely cured me of kidney complaint, but I want them to thoroughly understand that in all my experience with medicine and prescriptions said to cure disordered kidneys. I never received anything like the assistance I obtained from Doan's Kidney Pills. I tried so many different remedies and obtained so little success that it was only after they were strongly recommended to me by a friend who had been cured of a similar case to me that I commenced the treatment. My back grew stronger, my general health better, and unless I brought any exertion on the muscles of the loins I did not feel the continual lameness and aching. This, to a man who has given up all expectations of ever being helped by the use of medicine, is of considerable value and greatly appreciated."
